§ 105-373. Settlements.

(a) Annual Settlement of Tax Collector. –

- (1) Preliminary Report. – After July 1 and before he is charged with taxes for the current fiscal year, the tax collector shall make a sworn report to the governing body of the taxing unit showing:
 - a. A list of the persons owning real property whose taxes for the preceding fiscal year remain unpaid and the principal amount owed by each person; and
 - b. A list of the persons not owning real property whose personal property taxes for the preceding fiscal year remain unpaid and the principal amount owed by each person. (To this list the tax collector shall append his statement under oath that he has made diligent efforts to collect the taxes due from the persons listed out of their personal property and by other means available to him for collection, and he shall report such other information concerning these taxpayers as may be of interest to or required by the governing body, including a report of his efforts to make collection outside the taxing unit under the provisions of G.S. 105-364.) The governing body of the taxing unit may publish this list in any newspaper in the taxing unit. The cost of publishing this list shall be paid by the taxing unit.
- (2) Insolvents. – Upon receiving the report required by subdivision (a)(1), above the governing body of the taxing unit shall enter upon its minutes the names of persons owing taxes (but who listed no real property) whom it finds to be insolvent, and it shall by resolution designate the list entered in its minutes as the insolvent list to be credited to the tax collector in his settlement.
- (3) Settlement for Current Taxes. – After July 1 and before he is charged with taxes for the current fiscal year, the tax collector shall make full settlement with the governing body of the taxing unit for all taxes in his hands for collection for the preceding fiscal year.
 - a. In the settlement the tax collector shall be charged with:
 1. The total amount of all taxes in his hands for collection for the year, including amounts originally charged to him and all amounts subsequently charged on account of discoveries;
 2. All penalties, interest, and costs collected by him in connection with taxes for the current year; and
 3. All other sums collected by him.
 - b. The tax collector shall be credited with:
 1. All sums representing taxes for the year deposited by him to the credit of the taxing unit or receipted for by a proper official of the unit;
 2. Releases duly allowed by the governing body;
 3. The principal amount of taxes constituting liens on real property;
 4. The principal amount of taxes included in the insolvent list determined in accordance with subdivision (a)(2), above;
 5. Discounts allowed by law;
 6. Commissions (if any) lawfully payable to the tax collector as compensation; and

7. The principal amount of taxes for any assessment appealed to the Property Tax Commission when the appeal has not been finally adjudicated.

The tax collector shall be liable on his bond for both honesty and faithful performance of duty; for any deficiencies; and, in addition, for all criminal penalties provided by law.

The settlement, together with the action of the governing body with respect thereto, shall be entered in full upon the minutes of the governing body.

- (4) Disposition of Tax Receipts after Settlement. – Uncollected taxes allowed as credits in the settlement prescribed in subdivision (a)(3), above, whether represented by tax liens held by the taxing unit or included in the list of insolvents, shall, for purposes of collection, be recharged to the tax collector or charged to some other person designated by the governing body of the taxing unit under statutory authority. The person charged with uncollected taxes shall:
 - a. Give bond satisfactory to the governing body;
 - b. Receive the tax receipts and tax records representing the uncollected taxes;
 - c. Have and exercise all powers and duties conferred or imposed by law upon tax collectors; and
 - d. Receive compensation as determined by the governing body.

(b) Settlements for Delinquent Taxes. – Annually, at the time prescribed for the settlement provided in subdivision (a)(3), above, all persons having in their hands for collection any taxes for years prior to the year involved in the settlement shall settle with the governing body of the taxing unit for collections made on each such year's taxes. The settlement for the taxes for prior years shall be made in whatever form is satisfactory to the chief accounting officer and the governing body of the taxing unit, and it shall be entered in full upon the minutes of the governing body.

(c) Settlement at End of Term. – Whenever any tax collector fails to succeed himself at the end of his term of office, he shall, on the last business day of his term, make full and complete settlement for all taxes (current or delinquent) in his hands and deliver the tax records, tax receipts, tax sale certificates, and accounts to his successor in office. The settlement shall be made in whatever form is satisfactory to the chief accounting officer and the governing body of the taxing unit, and it shall be entered in full upon the minutes of the governing body.

(d) Settlement upon Vacancy during Term. – When a tax collector voluntarily resigns, he shall, upon his last day in office, make full settlement (in the manner provided in subsection (c), above) for all taxes in his hands for collection. In default of such a settlement, or in case of a vacancy occurring during a term for any reason, it shall be the duty of the chief accounting officer or, in the discretion of the governing body, of some other qualified person appointed by it immediately to prepare and submit to the governing body a report in the nature of a settlement made on behalf of the former tax collector. The report, together with the governing body's action with respect thereto, shall be entered in full upon the minutes of the governing body. Whenever a settlement must be made in behalf of a former tax collector, as provided in this subsection (d), the governing body may deliver the tax receipts, tax records, and tax sale certificates to a successor collector immediately upon the occurrence of the vacancy, or it may make whatever temporary arrangements for the collection of taxes as may be expedient, but in

no event shall any person be permitted to collect taxes until he has given bond satisfactory to the governing body.

(e) Effect of Approval of Settlement. – Approval of any settlement by the governing body does not relieve the tax collector or his bondsmen of liability for any shortage actually existing at the time of the settlement and thereafter discovered; nor does it relieve the collector of any criminal liability.

(f) Penalties. – In addition to any other civil or criminal penalties provided by law, any member of a governing body of a taxing unit, tax collector, or chief accounting officer who fails to perform any duty imposed upon him by this section shall be guilty of a Class 1 misdemeanor.

(g) Relief from Collecting Insolvents. – The governing body of any taxing unit may, in its discretion, relieve the tax collector of the charge of taxes owed by persons on the insolvent list that are five or more years past due when it appears to the governing body that such taxes are uncollectible.

(h) Relief from Collecting Taxes on Classified Motor Vehicles. The board of county commissioners may, in its discretion, relieve the tax collector of the charge of taxes on classified motor vehicles listed pursuant to G.S. 105-330.3(a)(1) that are one year or more past due when it appears to the board that the taxes are uncollectible. This relief, when granted, shall include municipal and special district taxes charged to the collector. § 105-321. Disposition of tax records and receipts; order of collection.

(a) County tax records shall be filed in the office of the assessor unless the board of county commissioners shall require them to be filed in some other public office of the county. City and town tax records shall be filed in some public office of the municipality designated by the governing body of the city or town. In the discretion of the governing body, a duplicate copy of the tax records may be delivered to the tax collector at the time he is charged with the collection of taxes.

(b) Before delivering the tax receipts to the tax collector in any year, the board of county commissioners or municipal governing body shall adopt and enter in its minutes an order directing the tax collector to collect the taxes charged in the tax records and receipts. A copy of this order shall be delivered to the tax collector at the time the tax receipts are delivered to him, but the failure to do so shall not affect the tax collector's rights and duties to employ the means of collecting taxes provided by this Subchapter. The order of collection shall have the force and effect of a judgment and execution against the taxpayers' real and personal property and shall be drawn in substantially the following form:

State of North Carolina

(c) The original tax receipts, together with any duplicate copies that may have been prepared, shall be delivered to the tax collector by the governing body on or before the first day of September each year if the tax collector has made settlement as required by G.S. 105-352. The tax collector shall give his receipt for the tax receipts and duplicates delivered to him for collection.

(d) Repealed by Session Laws 2006-30, s. 5, effective June 29, 2006.

(e) The governing body of a taxing unit may contract with a bank or other financial institution for receipt of payment of taxes payable at par and of delinquent taxes and interest for the current tax year. A financial institution may not issue a receipt for any tax payments received by it, however. Discount for early payment of taxes shall be allowed by a financial institution that contracts with a taxing unit pursuant to this subsection to the same extent as allowed by the

tax collector. A financial institution that contracts with a taxing unit for receipt of payment of taxes shall furnish a bond to the taxing unit conditioned upon faithful performance of the contract in a form and amount satisfactory to the governing body of the taxing unit. A governing body of a taxing unit that contracts with a financial institution pursuant to this subsection shall publish a timely notice of the institution at which taxpayers may pay their taxes in a newspaper having circulation within the taxing unit. No notice is required, however, if the financial institution receives payments only through the mail.

(f) Minimal Taxes. - Notwithstanding the provisions of G.S. 105-380, the governing body of a taxing unit that collects its own taxes may, by resolution, direct its assessor and tax collector not to collect minimal taxes charged on the tax records and receipts. Minimal taxes are the combined taxes and fees of the taxing unit and any other units for which it collects taxes, due on a tax receipt prepared pursuant to G.S. 105-320 in a total original principal amount that does not exceed an amount, up to five dollars (\$5.00), set by the governing body. The amount set by the governing body should be the estimated cost to the taxing unit of billing the taxpayer for the amounts due on a tax receipt or tax notice. Upon adoption of a resolution pursuant to this subsection, the tax collector shall not bill the taxpayer for, or otherwise collect, minimal taxes but shall keep a record of all minimal taxes by receipt number and amount and shall make a report of the amount of these taxes to the governing body at the time of the settlement. These minimal taxes shall not be a lien on the taxpayer's real property and shall not be collectible under Article 26 of this Subchapter. A resolution adopted pursuant to this subsection must be adopted on or before June 15 preceding the first taxable year to which it applies and remains in effect until amended or repealed by resolution of the taxing unit. A resolution adopted pursuant to this subsection shall not apply to taxes on registered motor vehicles.
